REEEP - Southern African
Regional Secretariat

REEEP Secretariat to relocate to Pretoria or Johannesburg

In the coming months REEEP is looking to move the Southern Africa regional secretariat to the Pretoria/Johannesburg region, so that it is closer to policy makers and decision makers within the SADC region. Please watch the REEEP Press for details and the latest news on this important development.

REEEP to host regional regulators workshop in Tanzania

REEEP-SA will host a Workshop on EE and RE for Regulators on 11 November 2008 in Arusha, Tanzania. The workshop is co-funded by Saneri and will be held in tandem with the 5th Annual Conference of the Regional Electricity Regulators Association (RERA), which is aptly titled "Inspired regulators can expedite brightening the dark continent".

The Electricity Governance Initiative, South Africa

The Electricity Governance Initiative (EGI) is launching a new effort in South Africa with the aim of improving governance of the electricity sector. The initiative will analyze government and regulatory capacity to create the right conditions for the promotion of renewable energy, efficiency, and social equity, in line with sustainable development and public interests.
